

# Jesus Saves

Jesus came to Earth  
To die upon a tree,  
And give eternal life  
To folks like you and me.

He's coming back some day  
To take His children home.  
And if you haven't trusted him,  
You'll be left down here - alone...Oh,

Jesus saves - Jesus saves.  
He's calling you today.  
He wants to give you peace and joy,  
The world can't take away...Oh,

Jesus saves - Jesus saves.  
Your Lord, He wants to be.  
Won't you open up your heart,  
And live eternally!
