

THE LOVE OF GOD – FOR KIDS

Kent and Beth Gunnison

The love of God: It calls to children.
No matter who – or where they be.
It seeks the young – and old together.
And reaches out – to you and me.

(Bridge)

The love of God – Forever awesome.
. . . Will never fade – or – depart.
It reaches far – beyond the planets.
Yet finds my small, tiny heart.

The love of God – is always with us.
It's there for me – when I'm afraid.
It takes my fear and sadness from me,
And gives me joy and peace in trade.
